

FASEB SUMMER CONFERENCE ON PROTEIN PHOSPHATASES  
Copper Mountain, Colorado 17-22 July 1994

MONDAY MORNING

SPECIAL LECTURES: Crystal Structure of a Protein Tyrosine Phosphatase  
Mark A. Saper, University of Michigan  
Crystal Structure of Protein Tyrosine Phosphatase 1B  
David Barford, Cold Spring Harbor Lab

Cell Surface Phosphatases - Receiving and Sending Signals  
Nick Tonks (Cold Spring Harbor, NY, USA) Session Chair  
Kai Zinn (California Institute of Technology, Pasadena, CA)  
Michel Streuli (Dana Farber Cancer Center, Boston, MA)

EVENING

Phosphorylation of Protein Phosphatases  
Shirish Shenolikar (Durham, NC, USA) Session Chair  
Jian Chen (Brown University, Providence, RI)  
Zahi Damuni (Penn State University Medical Center, Hershey, PA)  
Nick Tonks (Cold Spring Harbor Lab, NY)

TUESDAY MORNING

Intracellular Targeting of Phosphatases  
Jack Dixon (Ann Arbor, MI, USA) Session Chair  
Kathy Kelly (National Cancer Institute, Bethesda, MD)  
Jack Dixon (University of Michigan, Ann Arbor, MI)  
Ben Neel (Beth Israel Hospital & Harvard Medical, Boston, MA)  
Marc Mumby (University of Texas Southwestern Medical Center, Dallas, TX)

EVENING

Phosphatases in Growth and Development  
Anna DePaoli-Roach (Indianapolis, IN, USA) Session Chair  
Richard A. Firtel (UC-San Diego, La Jolla, CA)  
Brian Hemmings (Friedrich Miescher Institute, Basel, Switzerland)  
Patricia T.W. Cohen (University of Dundee, Scotland)  
Anna A. DePaoli-Roach (Indiana University, Indianapolis, IN)

WEDNESDAY MORNING

Phosphatases in Hematopoietic Cells  
Ben Neel (Boston, MA, USA) Session Chair  
Matthew L. Thomas (Washington University, St. Louis, MO)  
Anjana Rao (Dana Farber Cancer Center, Boston, MA)  
Leonard D. Shultz (Jackson Lab, Bar Harbor, ME)

EVENING

Phosphatase Inhibitors and Activators  
Martha Cyert (Stanford, CA, USA) Session Chair  
Charles Holmes (University of Alberta, Edmonton, Alberta, Canada)  
Yusuf Hannun (Duke University Medical Center, Durham, NC)  
John Cannon (University of Missouri, Columbia, MO)

## THURSDAY MORNING

### Cell Cycle Regulation: In and Out of Mitosis

Ned Lamb (Montpellier, France) Session Chair  
Paul Russell (Scripps Institute, LaJolla, CA)  
Ned Lamb (CNRS, Montpellier, France)

## EVENING

### KEYNOTE LECTURE

Norbert Perrimon  
HHMI and Dept. of Genetics  
Harvard Medical School

*"Signal Transduction Involving Protein Tyrosine Phosphorylation"*

## FRIDAY MORNING

### Phosphatases from Different Places

Willy Stalmans (Leuven, Belgium) Session Chair  
Martha Cyert (Stanford University, Stanford, CA)  
David Levin (Johns Hopkins, Baltimore, MD)  
Peter Kennelly (Virginia Tech University, Blacksburg, VA)  
H. Saito (Dana Farber Cancer Center, Boston, MA)
